

Current report no. 13/2020 of 11.08.2020

Subject: Positive test of virucidal efficacy of Apart hand disinfectant gels

Legal basis: Article 17 (1) of the MAR Regulation – confidential information

Content of the report:

The Management Board of GLOBAL COSMED S.A. ("Company") hereby informs that the Company has received a positive test result from an accredited and certified laboratory with an international scope of operation, confirming the virucidal efficacy of Apart hand disinfectant gels. The study concerned: Apart Desinfektionsgel, Apart Antibacterial & Antiviral hand gel, Apart Virucidal and bactericidal hand disinfection gel (Hand Hygiene, Chamomile, Aloe, Glycerin). The products are effective against enveloped viruses such as: SARS-CoV-2 coronavirus causing COVID-19 disease, viruses causing influenza and hepatitis C. The efficacy test was performed in accordance with EN 14476.
